

Recruitment for Project Consultant/Post-doc Fellow and Research Associate Department of Economics

Applications are invited from motivated and eligible candidates for the position of Consultant/Post-doc Fellow and Research Associate for the research project titled “**Tenancy and Credit: Exploring Facts below the Crust in AP**” Sponsored by NABARD (National Bank for Agriculture and Rural Development), Mumbai, India. The study will attempt to identify different possible sources of credit of agriculture households in the Guntur district of Andhra Pradesh, and the impact at the macro level will be carried out. The role of self-help groups and microfinance on agriculture and livelihood will be one important component of this analysis. Transaction cost, cascading effect, and loan waiver impact will be estimated across tenant/owner cultivators and social groups.
