### **EPIC 2022: Smt C Naga Rani IAS addressed the International Conference at SRM University- AP**

The three-day-long International Conference on Electronic and Photonic Integrated Circuits (EPIC- 2022) was inaugurated at SRM University-AP on Thursday, December 15, 2022. Smt C Naga Rani IAS, Director of Technical Education, Andhra Pradesh, was the chief guest of the inaugural ceremony. EPIC-2022 is intended to provide a hybrid mode research platform for research scholars, scientists, industry experts, and academic professionals worldwide to share their breakthroughs and accomplishments and exchange challenges and approaches in their expertise in the field of Electronics and Photonics.

“I am confident that the participants will have a great and enjoyable experience exchanging ideas with various experts and researchers from around the map on a single platform for the next three days,” said Prof Manoj K Arora, honourable Vice Chancellor of SRM University-AP as he addressed the gathering. He also urged all the experts to handhold the faculty and researchers of SRM AP through mentorship, joint research guidance and projects while motivating them to keep experimenting with innovative ideas. He proceeded to felicitate the chief guest, Smt C Naga Rani IAS.

The theme of the Three-Day technical conference has been chosen considering the recent developments in Nanoengineering and Nanotechnology, Semiconductor Devices, Artificial Intelligence and Machine Learning, Quantum and Neuromorphic Computing, MEMS, and MOEMS, Biomedical, RF and THz Applications. The conference will host insightful lectures by renowned academicians and researchers worldwide, including Nobel Laureate Prof. David Wineland, University of Oregon, USA. Invited talks; sessions on Ideas for the future, Women in devices, circuits, and systems; Startup sessions; Young Researchers Forum; Industry talks; Tutorials; and Jigayasa, a technical exhibition, are the other specialities of the conference.

Prof. V S Rao, Advisor; Prof. R Premkumar, Registrar; Dr B V Babu, Dean of the School of Engineering and Sciences; and Dr Vaddi Ramesh, Head of the Department of Electronics and Communication Engineering; of SRM AP, also graced the occasion with their august presence. The international conference organised by the Department of Electronics and Communication Engineering, SRM University-AP, will be concluded by December 17, 2022. Assistant Professors Dr Pradyut Kumar Sanki and Dr Swagata Samanta are the event coordinators.
