“Coding: The Next Big Break” – Talent Hunt at SRM University-AP

SRM University-AP is conducting a nation-wide Talent Hunt for promising young coders from across the country. Top scorers will have the unique opportunity to secure admission to SRM AP in a course of their choice with up to 100% scholarship on tuition fees and prizes worth Rs. 1 lakh. The poster inauguration for the National Talent Hunt 2023 will be held at the Secretariat, Block 5, by Honourable Minister Mr Peddireddy Ramachandra Reddy, Minister of Energy, Forest, Environment, Science and Technology, Mines and Geology, Government of Andhra Pradesh, in the august presence of Vice Chancellor of SRM AP, Prof. Manoj K Arora and other dignitaries.

The Talent Hunt is designed to identify potentially bright students from all over India through knowledge and skill assessment. The Talent Hunt will be conducted in two phases: an MCQ contest - to test general knowledge and awareness and a Coding contest- to test the participant’s technical expertise through problem-solving. Both contests will be delivered and tested in the online format.

Registration for the National Talent Hunt begins on December 13, 2022 and extends to January 31, 2023. All interested students from Class XI and XII can participate in the Talent Hunt.
