“Glory to a Proud Nation”- 74th Republic Day Celebrations at SRM University-AP

SRM University-AP celebrates the 74th Republic Day of our glorious nation with immense pride and zeal in commemorating the genesis of India’s constitution. Honourable Vice Chancellor, Prof. Manoj K Arora initiated the auspicious event by unfurling the flag, proceeding with the National Anthem and March Past. He explicated the significance of paying homage to our great nation and our brave leaders whose vigilance and valour contributed to forming a secular and republic country.

“India, since its inception as an independent, democratic nation, has advanced to the forefront of the global community as a rising influential power in the domains of science and technology, economics, democratic polity and the thriving Research and Development sector. Our constitution gives us the responsibility, rights, and resources to work towards the growth of our nation. SRM University-AP aligns itself with India’s vision, providing an innovative research-oriented ecosystem for cutting-edge research and entrepreneurial learning that works in tandem with the holistic growth of the country.” said Prof Arora in his commemorative speech.

On this proud occasion, SRM AP honoured its dedicated staff and faculty who have rendered their faithful service to the university’s cause and holistic development for the past five years. Honourable Vice Chancellor felicitated the programme and awarded mementoes and certificates to the recipients for their dedicated commitment to the institute. Laurels were also presented to the winners and champions for their remarkable achievements in their respective fields at the event. Cultural programmes by the students contributed to the joyous Republic Day celebration of our rich and valiant nation.
