### PUBLICATIONS

1987 | **A.Narasimha Murty** and A.V.R.Sastry | First report of conodonts from the Infra-Trappean limestones at Duddukuru, Andhra Pradesh, India, Current Science, January 20, 1987, Vol.56,N0,2, pp90-92.

---

1988 | **A.Narasimha Murty** and A.V.R.Sastry | Error Estimates in Size Analysis of Marine Sediments, Published in Indian Journal of Marine Sciences, December 1988. Volume 17, pages 335-336.

1992 | **A.Narasimha Murty** | Beneficiation of Graphite Flakes- A new Approach, Published in Indian Mining & Engineering Journal, April 1992, Volume -31. No.4, pages17-21.

1998 | **A.Narasimha Murty** | Geochemistry and stable Isotopic Studies on the Depositional Environment of Infra- and Inter – Trappean Limestones from Duddukuru area, A.P. published in Indian Mining & Engineering Journal, May 1998. Volume -37. No.5, pages 13-15.

### DEPARTMENTAL MAGAZINES/SOUVENIRS

Waste dump management in Goan Iron ore mines, Published in Souvenir, 13<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region,2001-02, pages-88-89.

---

Pollution of Surface Waters due to Mining activities in Goa and its Controls, Published in Souvenir, 14<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region,2002-03, pages-83-85.

Need for Environmental Concern in Silica sand mines, Published in Souvenir, 15<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region,2004-05, pages-88-89

Mining Waste and its impact on Human Health, Published in Souvenir, 16<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region, and 2003-04, pages-76-78.

Need for Generation of Base line data and monitoring of Environmental parameters, Published in Souvenir, 17<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region,2005-06, pages 81-83.

Mineral Threshold Values and Conservation aspects of Goa, Published in Souvenir 18<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region, 2006-07, pages 85-86.

Compounds of Chlorine and its affects on Mine waters, Published in Souvenir 19<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region, 2007-08, page-97.

Exploration Requirement and outlines of feasibility report under UNFC system Published in Souvenir 19<sup>th</sup> Mines Environment & Mineral Conservation Council, Goa region, 2009-10, p-119.

Need for sustainable Environmental practices in Limestone Mines of Rajasthan, Published in Souvenir 21st Mines Environment & Mineral Conservation Week, Ajmer Region, 2010-11.

Gold Mining and its affects on pollution Published in Souvenir 22nd Mines Environment & Mineral Conservation Week, Ajmer Region, 2011-12.

### **HINDI MAGAZINE (PRAYAS)**

King of gems, Published in prayas –II, 2003 (in Hindi).

---

Dating of Rocks, Published in prayas –III, 2005 (in Hindi).

### **SYMPOSIA (AS A CO-AUTHOR)**

Graphite Beneficiation of Siva Ganga area, Ramnad district, Tamilnadu, South India by K. Kameswara Rao and **A. Narasimha Murthy** published in International Symposium held at natal, brazil, 1985, pages1131-1143.

---

Graphite Mineralisation in Eastern Ghats with special reference to processing of low grades and flake separation by K. Kameswara rao , **A. Narasimha Murthy** and V.K. Rao abstract published in Diamond Jubilee national Symposium, held at Dhanbad,1987, July, pages MR-III ,2-3.

Occurrence of Graphite in the Eastern Ghats with special reference to processing of low grade ores, by K. Kameswara Rao and **A. Narasimha Murthy** published in National Seminar held at Department of Geology, Andhra University, Visakhapatnam, 1989, page35.

Genesis and exploration scenario of North Goan Iron ore by A.B. Panigrahi and **A.N. Murthy** Published in seminar on Iron Ores-Genesis and Exploration Techniques conducted by Society of Geoscientists and Allied Technologists, during 12 &13th Dec-2008 at Bhubaneswar, Orissa State, Seminar Volume page Nos-, 41-50.

Reclamation, Rehabilitation practices in Goan iron ore Mines by A.B. Panigrahi and **A.N. Murthy** Published in International Convention on Clean, Green & Sustainable Technologies in iron & Steel making held during 15th – 17th July 2009, at Hotel Swosti Plaza, Bhubaneswar, Orissa, India.

**AS A CO-AUTHOR PREPARED BOOKS OF IBM PUBLICATIONS (MONOGRAPHS & BULLETINS)**

Monograph on Iron Ore, Mineral Facts and Problems No.17, September,1997.

---

Monograph on Copper Ore (Revised), Mineral Facts and Problems No.18, 1998

Monograph on Clay (Kaolin), Mineral Facts and Problems No.,,1999.

Bulletin on Fluorite Mining in India, Bull. No. 35, August.1997.

Bulletin on Application of Computers in Indian Mines, Bull. No.36, 1999.

Bulletin on Gypsum, Bull.No. 39,1999.
