Renowned Scientist, Prof. CNR Rao Delivers Words of Appreciation for SRM University-AP

Prof. D Narayana Rao, Pro-Vice-Chancellor, SRM University-AP, and faculty from the university interacted with Prof. CNR Rao, world-renowned scientist, and recipient of the prestigious 'Bharat Ratna' at Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bengaluru on April 05, 2023. The meeting facilitated an extensive discussion on their ongoing and future research projects. Prof. CNR Rao expressed his appreciation of the research progress displayed by SRM University-AP in the last five years and provided valuable suggestions to effectively align the university's research activities with the emerging national missions that contribute to the country's development. Prof. CNR Rao also recommended more laboratories, funds and resources to Research scholars and fellows for conducting ground-breaking research in their respective domains. On this occasion, Prof. D Narayana Rao felicitated Prof. CNR Rao with a shawl and presented him with a memento as a token of gratitude. Prof. GS Vinod Kumar, Dr Anil Kumar Suresh, and Dr Pardha Saradhi Maram of SRM University-AP participated in the meeting.
