

# MSc Mathematics

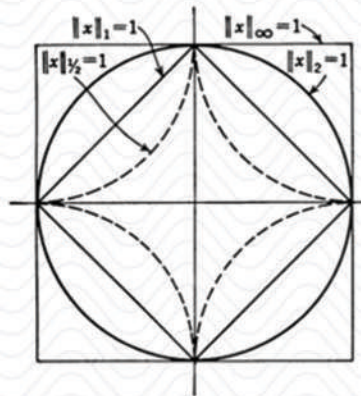

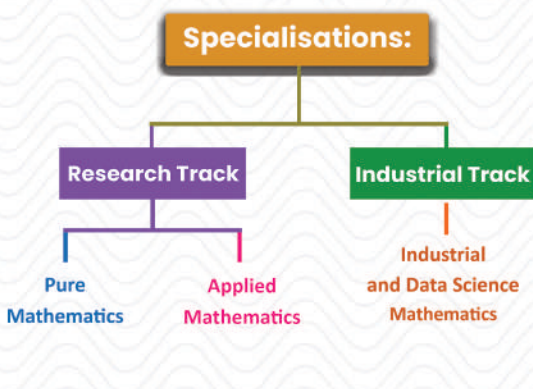

**SRM**  
UNIVERSITY AP  
Andhra Pradesh

MSc in Mathematics at SRM University-AP opens doors to exciting opportunities in academia, research and industry. We offer a rigorous and challenging programme that is designed to provide students with a solid foundation in both Pure and Applied Mathematics and learn various skills of mathematical programming like Python, MATLAB, Mathematica and Latex. You will have the opportunity to study a wide range of topics like Algebra, Analysis, Topology,

Differential equations, Mathematical modelling, Financial Mathematics and Industrial Mathematics along with the flexibility to choose a variety of electives and specialisations that align with your interests and career goals.

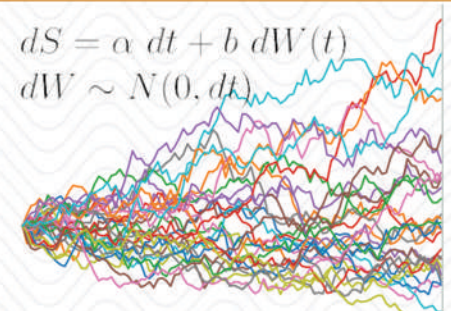

## Curriculum Highlights:

- ▶ Compliant with the National Education Policy 2020 (NEP 2020).
- ▶ Covers the NBHM/CSIR/GATE syllabus.
- ▶ Provides training in computational ability.
- ▶ Develops mathematics education skills for quality teaching.
- ▶ Features state-of-the-art course content fused with research.

	Last date for applying	Written exam & interview	Announcement of results
Window 1	July 30, 2023		

## Scope and Opportunities

- ▶ Connectivity to eminent research groups across the country and world.
- ▶ Readiness to interdisciplinary research opportunities and Data Science careers that demand mathematical vigour and rigour.
- ▶ Exposure to state-of-the-art pure research domains
- ▶ Full fee concession over entire course for bachelor grades above 85% and many more.
