SRM University-AP to Host Industry-Academia Dialogue on Revamping Curricula for Achieving Academic Excellence

SRM University-AP is organising an Industry-Academia Dialogue with the objective of **Revamping Curricula for Achieving Academic Excellence** on Saturday, June 10, 2023, at the university campus. Taking into consideration the guidelines set forth by the National Education Policy (NEP), the university recognises the difference in the needs of the next generation of students and aims to revamp the curricula to adapt the varsity's educational programmes accordingly. More than 50 professionals from the industry and leading practitioners from the social sector will be participating in the dialogue to address the foreseen challenges in higher education and recalibrate the curriculum of the varsity. Mr Dilip Gupta, MD, Sagarmala Development Company Ltd. (a Govt of India Enterprise Under the Ministry of Ports, Shipping and Waterways), and Dr V Vinod Kumar (IAS) MD, Andhra Pradesh Skill Development Corporation, will be the Guests of Honour for the event.

The event is being conducted to take into consideration the imperative to cultivate and enhance high levels of technological and social skills within the digital era's present and future workforce. The varsity aspires to confront the expected challenges in higher education by incorporating emerging technologies and industry practices into the curricula, ensuring practical experience with the latest tools and techniques for students. SRM University-AP advocates aligning the curricula to global standards as one of the five strategic goals adopted by the university to achieve academic excellence within the next five years. Furthermore, the six-year-old research-intensive university aims to incorporate 21st-century skills and values to equip students with the competencies required for success in the present-day dynamic world.

The conclave will reflect on how by collaborating with education technology companies, start-ups and industry professionals, educational institutions can create robust partnerships that enable them to stay abreast of current trends and equip students with the necessary skills to thrive in the digital era. Industry and Academia professionals from renowned industries such as TCS; Infosys; Cisco; Service Now; Nectar Lifesciences Ltd.; Premas Life Sciences; Novozymes South Asia Pvt. Ltd.; Thermo Fisher Scientific; Noida International Airport; Tech Mahindra Ltd.; L & T; Mindtree; Intel; Axis Capital; OLA Electric Technologies; Efftronics; SRM Tech etc., will join the resourceful conclave for deliberations and discussions.
