Leading the Next Generation of Creators and Innovators: SRM University-AP Inaugurates Tech Fest 2024

“Tech fests are your platform to explore, learn and thrive. Your spirit to compete and succeed is immaterial without learning, ” remarked Mr Sanjiv Bhavnani, distinguished guest at SRM University-AP Tech Fest 2024.

SRM University-AP kick starts its four-day Tech Fest with glamour, zeal and endless exuberance. The student-led national fest, held from March 21-24, 2024, was inaugurated in the gracious presence of Guest of Honour, Mr Dinesh Dua, Executive Director on Board at Nectar Lifesciences Limited, esteemed guests, Mr Sanjiv Bhavnani, founder of Mentorpreneur & Infotecniques and Dr Deepak Pandit, Chair Professor – Innovation and Entrepreneurship, BML Munjal University, Vice Chancellor, Prof. Manoj K Arora, Registrar, Dr R Premkumar, Director-Student Affairs, Mr Anil Kumar Nigam, Chief Club Advisor, Dr Priyanka, Deans of different schools, leaders and representatives from the Student Council, and all students of the varsity.

Vice Chancellor, Prof. Manoj K Arora stated in his welcome address that technical fests are magnificent learning platforms. He said, “This is your opportunity to collaborate, network and learn 21st-century skills such as creativity, critical thinking, and problem-solving leadership that will equip you to be the tech leaders of tomorrow.” Mr Dinesh Dua, Guest of Honour, encouraged budding students to take advantage of the upsurge of technology to recalibrate themselves to the new age of intelligence. He expressed his genuine delight in inaugurating the Tech Fest with an interactive discourse on Artificial Intelligence.

The thrilling university fest embarked on its four days of electrifying events and activities with a mega Hackathon challenge, “Hack SRM”, with a prize pool of Rs 4 Lakhs. The 24-hour hackathon challenge saw dynamic participation from colleges around the nation, with young techies from VIT-AP, Amrita Vishwa Vidyapeetham-Amaravati, SRM University Ramapuram, VISAT Maharashtra bagging the top prizes worth Rs 50,000/-, Rs 40,000/-, Rs 10,000/- and Rs 5,000/-.

Tech Fest 2024 is the university’s testament to celebrating innovation, creativity, and boundless possibilities. The four-day fest features technical competitions, non-technical events, workshops, hackathons, ideathons and expos on every technology domain enhancing students’ learning experience.
