OPTIONAL 4TH YEAR AND TRAINING FOR HIGHER EDUCATION

The three-year Honours programme is extendable to an optional fourth year. The programme is fine-tuned to make the students aware of the cutting edge research being done worldwide in the discipline of History. Further, we train them to prepare for admissions in world-class universities including the **Ivy League institutions** for their higher studies. It also gives them the provision to submit a BA thesis which is a pre-requisite in applying to premier universities in the **USA and Europe**, facilitating a smooth transition to higher studies without losing an additional year.

HISTORY WITH A PURPOSE

The curriculum has been comprehensively set to train students to become professional historians with regular internship opportunities. Besides this, students are also trained for various other national and international competitive exams such as **UGC NET, PSC, GRE, and TOEFL**.

INFRASTRUCTURE

SRM University-AP offers a wide range of facilities and resources to support students. The library on the campus provides an extensive collection of books and journals on History. The students have 24x7 access to online journals and other valuable online resources required to hone their writing and research skills. Students also have access to the dining area, hostels, grocery store, Health Centre & Pharmacy, Bank with ATM, Post Office and other amenities. The University is built on the idea of **Green Campus** and is designed by Perkins+Will, the American architecture firm that specialises in educational institutions.
