Conference on

RECENT ADVANCES IN MATHEMATICS AND RELATED AREAS

JANUARY 14 – 19, 2025

Aim of the Conference is to bring the world-renowned experts in different areas of mathematics together and the special feature of this conference to have good number of young scholar's talk.

The participation is open to young mathematicians all around the world.

Our Speakers

- Kenneth Ribet (UC Berkley)
- Fred Diamond (King's College London)
- R Sujatha (University of British Columbia)
- Madhavan Mukund (Chennai Mathematical Institute)
- Meena Mahajan (IMSc Chennai)
- Anish Ghosh (TIFR Mumbai)
- Apoorva Khare (IISc Bangalore)
- Rajeeva Karandikar (Chennai Mathematical Institute)
- Malabika Pramanik (University of British Columbia)
- Ken Ono (University of Virginia)
- Anupam Saikia (IIT Guwahati)
- Sanoli Gun (IMSc Chennai)
- Jean Marc Deshoulliers (University of Bordeaux)
- Olivier Ramare (CNRS)
- Mahan Maharaj (TIFR Mumbai)
- B Ramakrishnan (CMI)
- Vitezslav Kala (Charles University, Prague)

Register for the conference [here](#)

Last Date of Registration
DECEMBER 01, 2024

Organisers

Prof. Kalyan Chakraborty

*Professor and Head,
Department of Mathematics*

Dr Kalyan Banerjee

*Assistant Professor,
Department of Mathematics*
